

TRANSCRIPT PREPARED BY THE CLERK OF THE LEGISLATURE  
Transcriber's Office

January 27, 2000 LB 120, 477

SENATOR BEUTLER: Senator Kristensen, members of the Legislature, this is a technical amendment to which Senator Hudkins is very agreeable, I think. It just deals with some language relating to appropriations. Some nontraditional, unfamiliar language was used that could possibly cause some confusion, so we had the Fiscal Office simply redraw a couple sentences to comport to our normal way of doing things, which is satisfactory to the parties, all the parties involved. So I don't think there is a problem and would ask for your adoption of the technical amendment. Thank you.

SPEAKER KRISTENSEN: Senator Hudkins.

SENATOR HUDKINS: Yes, thank you, Mr. Speaker, members. Yes, Senator Beutler and I discussed this amendment. And what he has said I agree with, that it is a technical amendment. So I will be supporting it and I would ask you to do also. Thank you.

SPEAKER KRISTENSEN: Further debate on the amendment? Seeing none, Senator Beutler, you're recognized to close. He waives closing. The question before the body is the adoption of AM2109. All those in favor vote aye; all those opposed vote nay. Please record.
